Missions Spotlight

Matias Jr. & Krissia Mojica-Brooks, Bolivia -Matias Jr. and Krissia Mojica serve as medical missionaries in Samaipata, Bolivia, where they live with their two young children. Their mission is to glorify God by bringing both physical and spiritual healing to their community. They are actively evangelizing, discipling new believers, and strengthening their base church to reach surrounding villages for Christ. As a general physician and nurse, Matias and Krissia use their medical training to build relationships, share the gospel, and support local churches through medical outreaches and campaigns in Bolivia.

Please Pray this week for the Brooks and their ministry in Bolivia
