Missions Spotlight

Mike and Diane Peper, Sierra Leone - Dr. Mike Peper, pastor and former missionary to Korea, has been given by God a burden for the war-torn country of Sierra Leone as well as this once-in-a-lifetime opportunity to impact the lives of generations of people in that country. A project that now includes multiple churches, an orphanage, a clinic, and a school is now becoming a reality. God's people must rise to this exciting occasion and get involved while this new door is open!

Join us in the auditorium this Wednesday at 6:30pm to hear a current update on the Peper's ministry in Sierra Leone and to pray for them.
