

Guidelines: Students

1. Registration and Payment should be completed by June 30th.
2. Students must arrive between 7 and 8 AM each day in order to ensure proper departure time for projects and activities.
3. Students are expected to dress appropriately for each day's activities bearing in mind our desire as a church to honor and glorify God in what we wear.
 - a. No offensive graphics, or clothing making political statements.
 - b. Many things on our schedule are active so please nothing that would give anyone a view.....
 - i. Guys, we don't want to see your underwear and you need to keep your shirt on.
 - ii. Girls, please make sure the shorts, shirts, and dresses cover everything.
 - iii. We all have bellies....we don't need to see yours...apply that logic to everything else.
 - c. For days with water activities, please bring a change of clothes, towel, and keep the bathing suits modest. If you are struggling with that, t-shirts over bathing suits are cool too.
4. You might want to consider bringing sunscreen, an extra shirt, some spending money, and your friend. Friends are cool, just make sure they register.
5. Picking and choosing isn't cool. We need you to start the day and end the day with us. We won't be making special arrangements to pick you up or drop you off in between things.
 - a. If you didn't make it to that day's activities you can still join us for the service each night.
 - b. For payment however it is either all or nothing, we can't discount things if you don't want to do some of the things we've planned.

6. Be cool. Don't be a jerk. Jerks aren't cool. Respect other students, the leaders, and the people we will be in contact with at each activity. You got a problem? See a leader.
7. COVID-19
 - a. If you want/need to wear a mask, do it. If that's not you, don't make fun of those who do.
 - b. Wherever possible please maintain social distancing.
 - i. Yes, we know you brought the love of your life with you. Yes, you can go without touching them for 5 days. If you can't....they aren't the love of your life.
 - c. If you feel sick, you should stay home. Please don't lie about that either.
