Missions Spotlight

CAN Missionary - This week's missions spotlight is a family that are missionaries to a Creative Access Nation. This means that they minister in a country or to a people group where they are not freely allowed to share the Gospel. Because of this, we protect their information and only share it to the church during in-person services, with our livestream cutting away during any presentation of missionaries or ministries who operate in this capacity.

Please join us in person this Wednesday at 6:30pm to hear about this CAN missionary family and to pray for them.

The Revolution Middle School is having another After Church Hangout on Wednesday, February 21 from 7:30-9:00pm. Come and have some fun. Bring \$ for a snack run. Please see Pastor Brad if your student will need a ride home.

A new GriefShare class will start Thursday, February 22. Pastor John will be leading an evening session at 6:00pm. The program lasts 13 weeks and the cost for the workbook is \$20. **The GriefShare curriculum has been updated, so everyone will need to purchase a new workbook. Please call the Church Office to register and to let us know if you need childcare.
