Missions Spotlight

Brian & Rachael Weed, Trailhead International - Brian and Rachael were approved as BBFI missionaries to Nicaragua in May 1999. After many years of missionary service, they transitioned in 2019 to serve with Trailhead International, where they now serve as President and Director. Trailhead International partners with churches and missionaries to help build and strengthen ministry facilities around the world. Through this ministry, Brian and Rachael support gospel work by serving missionaries, churches, and communities in places where ministry resources are greatly needed.

We will share an update on the Weeds ministry and pray for them during our Wednesday evening service.

Our **Mission Trip Team** is leaving for the Philippines this afternoon. Please pray for safe travel and for the opportunity to minister and share the Gospel with the people of the Philippines.
